Dear Parent/Carer

Well we have reached the end of another school year - but what a year it has been! These last few months have been very strange and difficult for all of us but we have pulled together and have come through.

As yet we do not know what September will bring but we will continue to work hard to keep children, staff and families safe and we are prepared in case there are any future closures. We all need to remember that Covid will remain a part of our lives for a while yet but we must not let it take over.

To those children who are moving on, we wish you the very best of luck and know you will continue to make us proud. To those children joining us or moving up into their new class - we are ready for exciting times ahead.

We wave goodbye to Mrs Houghton, Miss McLoughlin and Miss Housden and wish them every success as they move on to pastures new. Thank you for being such an important part of Marsh Green.

In September we will need to continue with the one way systems and be aware that there will be higher numbers of children and parents around school. Please help us maintain social distancing. School will continue to open classroom doors between 8:40 and 9am to prevent a build up of crowds.

I would like to take this opportunity to thank you for your continued support and cheerful messages. I am proud to be part of the Marsh Green Team.

Mrs Leigh
